Commander's Corner

Dear Awana Parents and Clubbers

Welcome back and happy New Year!

We hope that your Christmas break was filled with memorable times with loved ones and that, in the midst of the many activities, you were able to take time to reflect on the gift of the Christ Child and the work of God in your life.

As we start back into Awana, this is a great time to look at your clubber's book and see how they are progressing. Ideally, they would be close to halfway through it, but if not... there's still time to pick up the pace. I cannot overstate the importance of reinforcing what is being taught in Club at home during the week.

We are blessed to come alongside you!

In Christ, Jim Dutton

Awana 2010 / 2011 at Trinity Fellowship

Happy New Year! Welcome to the second half of our AWANA year. Thanks for letting us minister to your child this evening. We look forward to the opportunity to share the love of Jesus and we are praying that your child will sense that love all their leaders and listeners.

We publish AWANA NEWS nearly every week and we'll do our best to keep you informed about everything happening in the program.
