Ladies Thursday Morning Bible Study will resume on September 6th meeting from 9:30 a.m. until 11:30 a.m. at Miriam Feaster's home. The book will be Max Lucado's "Ten Men of the Bible" (or how God used imperfect people to change the world). Lesson one is on Noah and the flood and is entitled "Hope When the Floodwaters Rise." The text emphasizes living out what scripture teaches. For more information or to purchase a study guide, contact Ruth Mohn.

Babysitters Needed Thursday Mornings—We will have the joy of hosting two ladies Bible studies this fall! One group will be studying "Ten Men of the Bible" by Max Lucado. The other group will be following Bob's sermon series in Proverbs. Both groups will meet on Thursday mornings, and both groups are in need babysitters! Ideally we would like to have two adult women as either volunteers or as paid babysitters. The hours will be Thursdays from 8:45-11:30. If you would be interested in helping with this ministry, or if you know of someone who would be able to meet this need, please contact Gail DeGray at 281-797-8932 for more information.

New Home Group—Friday Nights @ 6:30 pm

Where: Ben & Bitsy Unruh's home in League City at 1872 Island Falls Court

Who & What: We will be having "Taco Fridays" while enjoying time to fellowship with each other. We plan to have a prayer request/life updates time followed by a prayer time for each other. Children are welcome! This group is for all ages; please consider coming!

Facilities Task Force: There are many small (and some bigger) maintenance, beautification and improvement projects in our buildings and grounds that could be done at low cost if we had the right manpower and planning. We are forming a facilities task force to address these issues. We need to have some hands-on fixit types, some decoration and beautification types and some planning and 'engineering' types for longer term building improvements. If you would like to be involved in organizing this task force, e-mail: mail@trinityfellowship.net; elders@trinityfellowship.net or text Bob at 281-787-7130
